City of Rockville

MEMORANDUM

June 25, 2005

TO: M. W. England, Special Operations Bureau Commander

FROM: Ron Merritt, Police Corporal

VIA: J. Main, Police Lieutenant
A. Rawlins, Police Sergeant

SUBJECT: Weekly Activities Report: June 21-25, 2005

The following activities were conducted in the Rockville Town Center and business areas.

- June 21, 2005: Received brief from Lieutenant Main and Sergeant Rawlins regarding duties to be conducted in the Rockville Town Center and King Farm business areas.
- June 21, 2005: Was escorted by the Chief of Police for introduction to key business leaders in the Rockville Town Center.
- Initiated patrol and began to meet all owners and managers of the Rockville Town Center. Created a database to document all business and business owners' points of contact. Queried business owners for areas of concern (see area trends and areas of concern - enclosure #1).
- Researched and obtained purchase order for bicycle and bicycle equipment (see enclosure #2). All purchase orders were forwarded to Ms. Bonnie Speight for check dispersal.
- Annual leave June 23, 24, 2005.
- Concentrated on patrol of Town Center business areas.

Areas and Trends of Concern

1. The main concerns of the business owners at town center is the loitering of people to the front of their establishments, mainly in the outside seating areas. The complaint is of disrespectful young adults. Primarily one or two people who are not patronizing the establishments will sit down and then are later joined by large groups who become disorderly. A number of businesses have taken ownership and policed their own property, while others have allowed the loitering to continue.
2. Loitering at Regal Cinemas. The officers who have currently been assigned have set the template in place for enforcement of loiterers at the Regal Cinemas. The loiterers have now become creative in their attempts to remain legally on the property. The following are trends of young adults loitering at the movie theater.
 1. Purchase of ticket to prove they intend to see a movie, then remain out front of the establishment or in the lobby until the movie starts and then refund the ticket.
 2. Purchase a ticket and then pass it off to another person, so that person can hang around the movie theater.
 3. When advised to leave the area, the young adults move to a public street (corner of Monroe Street and the corner of Courthouse Square) and congregate.
3. Complaint from Tara Asia Manager of police vehicles (Montgomery County) parked in front of the businesses while officers attend court.
4. Complaint from Regal Staff member of a homeless trespasser in the stairwell that leads to the movie theater from the E. Montgomery Ave. Staff member advised that door directly across from the theater on E. Montgomery Ave., does not secure. Staff member advised he confronted a homeless man in the stairwell. The man is described as a white male, 6'02", 300 lbs, full hairy beard with dirty grayish brown hair, wearing a white shirt, with a blue jacket tied around his waist. The homeless person was drinking a can of Milwaukee's Best, and several empty cans were laying on the ground and stairs. The homeless person had also apparently defecated on the stairs as well due to feces being present. The staff member advised he told the subject to leave and not return.

SUBJECT: Weekly Activity Report 28 June - 1 July 2005

The following activities were conducted at the Rockville Town Center and King Farm business areas:

1. Continued meeting owners and agents of properties in King Farm and Rockville Town Center. Updated database to include business contacts in the King Farm area (see enclosure 1).
2. Requested assistance from Rockville Traffic Engineers in researching the possibility to temporarily change the traffic pattern on E. Montgomery Avenue during the weekend. I am awaiting their response (see enclosure 2).
3. Obtained check from City of Rockville on 1 July 05 for purchase of Fuji Police Special bicycle from Performance Bicycle Shop (see enclosure 3). The bicycle was delivered to Performance Bicycles on 1 July. The manager advised it will be assembled on 4 July (the store will be open).
4. Met and paired with Deputy Sheriff Robert Balser and continued to meet business agents and patrol the areas of King Farm and Rockville Town Center. Deputy Balser advised he will be on vacation until 17 July 05, and will not be available for the weekend detail for several weeks. Deputy Balser also advised he is currently uncertain upon his return if he will be returning to the Town Center detail, or be reassigned to another section of the Sheriffs department. He further advised that if he was reassigned he was unaware if he would be replaced by another Deputy on the Town Center Patrol.

5. On 1 July received information that a homeless couple 1/M and 1/F are living in the unoccupied old Burbanks building on W. Montgomery Ave. Met with Team 5, to verify the trespass, but was postponed due to severe thunderstorm and critical calls for service. I plan to contact the property manager and arrange for them to enter the building with officers and determine if someone may be on the premises illegally.

Areas and Trends of Concern

Many of the merchants at King Farm mentioned the report of vandalisms that occurred the previous week. Although, this is not a direct concern of the King Farm business district, it was a concern to the Merchants because many reside in King Farm. Richard Reynolds who is the owner of Parcel Plus advised me that King Farm has a website that residents communicate the issues and concerns in the community. Reynolds advised that the vandalisms have been the number one topic.

MEMORANDUM

June 29, 2005

TO: City of Rockville Traffic Engineers

FROM: Ron Merritt, Police Corporal

VIA: Alan Rawlins, Police Sergeant *AL 7/5/05*

SUBJECT: Request Temporary Traffic Pattern Change

Request flexible adjustment of traffic pattern from a two way street to one way street on E. Montgomery Avenue on all Friday evenings, and all day Saturday, and Sundays. The time frame will be from 1800 hours Friday evening to 2359 hours on Sunday night.

With citizens frequently visiting the businesses located on E. Montgomery Avenue, between Maryland Avenue and Monroe Street, vehicle traffic is consistently congested. On a slow weekend, there are approximately 2000 citizens crossing this road each day to patronize the movie theater and restaurants. This congestion has caused numerous safety issues for pedestrians attempting to cross E. Montgomery Avenue from the parking lot to visit businesses. Vehicles consistently illegally double park to pick up food from restaurants and drop off friends and family members to purchase tickets from the Regal movie theater.

As the vehicles double park, pedestrians are stepping between the vehicles legally parked at the curb, and then between the illegally double-parked vehicles to cross the road. As a result, traffic is halted, resulting in congestion of stopped vehicles causing a back up to Maryland Ave. and/or Monroe Street. This safety hazard is coupled with impatient drivers who don't wait for the illegally double-parked vehicle to move and move around the double-parked vehicle into the path of oncoming traffic, and pedestrians who are crossing the road or stepping out between parked vehicles.

There have been numerous citizen complaints on this traffic trend and officers of the Rockville Police Department have given much time and effort to ensure traffic flows safely through this area. Unfortunately, as officers leave the area to give attention to more serious events occurring within the City, the trend continues.

I have provided the following recommendations for courses of action that can be taken to relieve traffic congestion and threat to personal safety of our citizens on E. Montgomery Avenue.

- a. Course of action one – Close off street to all vehicle traffic.
- b. Course of action two – One-Way traffic pattern, traveling east bound on E. Montgomery Avenue. This will allow two lanes. One thru lane and one drop off lane. The thru lane will allow traffic to continue to move to a less frequented area of Monroe Street where travelers can then turn left toward middle lane or right to E. Jefferson Street. This is the most preferred course of action.
- c. Have pedestrian crossing signs/lane posted on road in front of Regal and across from parking lot.

I appreciate your assistance in looking into this important matter relating to the safety of our citizens. I am available to meet with you to discuss this issue further at your convenience, and can be reached at 240-314-8900.

FY1
Report

July 13, 2005

TO: T.N. Treschuk, Chief of Police 

FROM: Lee Potter, Administrative Services Bureau Commander 

SUBJECT: Annual Juvenile Enforcement / Diversion Review

During the past fiscal year the Department made 110 juvenile criminal arrests. The breakdown of criminal arrests is as follows:

03**- Robbery	6
04**- Aggravated Assault	4
05**- Burglary	2
06**- Theft	7
08**- Assault	9
14**- Vandalism	18
15**- Weapons	13
18**- CDS	36
22**- Liquor Law Viol – Underage Drinking Party	2
24**- Disorderly Conduct	8
2716 – Bomb threat	1
2736 – Unauthorized use of a motor vehicle	1
2737- Trespassing	2
2752 – Fugitive	1

The P.R.O.S. (Police Reach Out to Students) program was not taught this year.

The only elementary school course of instruction taught this year was at one school twice for three hours on How to deal with Bullying. Two fifth grade classes approximately 58 students were in attendance.

The Community Services Officer conducted a total of 27 presentations (including station tours, bicycle rodeos, Officer Friendly presentations, Officer McGruff appearances, drug prevention awareness presentations, etc.). Approximately 7,600 juveniles attended the presentations.

The department participates in several prevention programs through the Community Services

Page 2

Officer during the year. Each of these programs is well received by the participants and their parents. The community-oriented approach to policing, which the entire department follows, brings officers in contact with a large number of juveniles in non-formal/enforcement settings. Each of these steps contacts is another step in the overall attempt to reach out to the youth of the community.

Each program should be continued in the upcoming year. We should, however, continue to seek out new opportunities to interact with juveniles.

MEMORANDUM

July 9, 2005

TO: Michael England, Police Captain

FROM: Ron Merritt, Police Corporal

VIA: James Main, Police Lieutenant

VIA: Alan Rawlins, Police Sergeant

SUBJECT: Weekly Activity Report July 4 - July 9, 2005

The following activities were conducted at the Rockville Town Center and King Farm business areas:

1. Continued meeting owners and agents of properties in King Farm and Rockville Town Center.
2. July 4, worked detail at Richard Montgomery High School.
3. July 5, picked up Fuji Police Special Bicycle from Performance Bicycle store with no problems.
4. July 5, received citizen complaint from SGT Rawlins of illegally parked vehicles at the intersection of Watkins Pond and Elmcroft Blvd. Spoke with complainant, Sue Bremowitz (301-527-8953), who advised employees from the Toyota and Nissan dealership were parking their cars very close to the intersection obstructing the view of vehicles attempting to make a right turns in the area. Bremowitz advised this was an ongoing problem. I went to the complaint location and although there were no violations for vehicles parked within 30 feet of stop signs, there were violations of vehicles parked within 20 feet of the crosswalk. I went to the Nissan Dealership and was directed to Anthony Guglielmi, the controller with DARCARS, who responsible for company vehicles for the Toyota, Nissan, and Volvo dealerships. I spoke with Mr. Guglielmi and he stated he is aware of the citizen complaints of vehicles parked by his employees at that location. Guglielmi advised none of

the vehicles parked on the street are company cars from Toyota, Nissan, or Volvo. Guglielmi stated he had previously spoken to the supervisors at the locations, and would email them to speak with the employees about illegally parking in the residential areas particularly to close to the intersection. I advised Mr. Guglielmi I would place warnings on vehicles this week, and would begin ticketing next week. I returned to the complaint area and wrote three warnings to vehicles parked within 20 feet of the crosswalk. I continued to patrol the area for several days afterwards and found no parking violations.

5. July 7, assisted Lincoln Park Task Force with search warrant at 309 Lincoln Street.
6. July 7, detailed to patrol the Rockville Metro Station due to increase in security alert status.
7. July 7, met with Joey Solemin, the property manager of 20 W. Montgomery Ave., (old Burbank's) in reference to previous complaint of homeless couple living on the property. A search of the property was conducted by Ofc Mathews and myself. The outside rear basement door was found to be unsecured and appeared forced in, and replaced to appear as if it was secured. The building was found to be vacant, with no apparent signs that it was being occupied. I asked Mr. Solemin what were his company's plans for the property, of which he advised they were currently speaking with the city and planned to build a restaurant.
8. July 8, met with Chief Treschuk, CPT England and City Traffic Engineer Emad Elshafei and discussed decision to change the traffic pattern on E. Montgomery Avenue to a one-way street. It was agreed the proper traffic signs would be in place by target date of August 1st. This writer spoke with several business representatives at Town Center, who gave positive comments and seemed very pleased with the plan. A flier has been drafted and placed in the Chief of Police's inbox, awaiting approval before dissemination.

Areas and Trends of Concern

The main concern in the E. Montgomery Town Center area continues to be loiterers. I am attempting to get a consensus from the property owner/agents, of what police authority and enforcement they are willing to authorize while patrolling their property. There currently appears to be some disparity among the businesses of what type of enforcement they want.

Feb. 9 '04	M&C	MCPS property on Stonestreet	CPDS/ J. Wasilak	As of 6/24/05, MCPS is considering abandoning the project in light of the City allowing no text amendments during the comprehensive Zoning Ordinance revision.	June 27 '05	
Feb. 9 '04	M&C	Fleet Street - Montgomery County surplus property	CPDS/ J. Wasilak	The County selected EYA as the developer for the project. The Historic District Commission discussed the structures on the property on 6/16/05 and 7/21/05. The Commission determined that the properties on Maryland Ave and Fleet St meet the criteria for historic designation. Next staff will prepare for the Mayor and Council to begin the formal historic designation process in September.	July 25 '05	
Feb. 17 '04	M&C	Status of planning area north of Beall Town Center Phase II	CPDS/ A. Chambers	CPDS needs Planning Commission and Mayor & Council approval to amend the Town Center Master Plan to move forward on Phase II. Staff will prepare a report for Planning Commission consideration and expects Mayor and Council consideration of Town Center Phase II to take place in fall 2005.	July 25 '05	
Jul. 26 '04	I.G	Provide updates on the status of the Shady Grove Sector Plan	CPDS/ J. Wasilak	The PHED Committee discussed the Sector Plan on 6/13/05. The Committee requested additional information from M-NCPPC and will resume work on the plan on 9/7/05. The Committee will not make a recommendation to the full Council on the plan until the fall.	June 25 '05	
Aug. 2 '04	JH	Develop a plan to remove stray shopping carts from the community	Police/CMO L. Moran	City staff, County staff, Councilmember Hall and a City resident met on 6/29/05 to discuss this issue further. A list of potential next steps was developed to review with the Chamber of Commerce.	July 5 '05	
Aug. 2 '04	I.G	Provide periodic updates on the status of the refuse study	DPW/ S. Straus	Staff is working on service options and an implementation plan for Mayor and Council consideration, including a pilot program to potentially conduct in the spring of '06. A worksession is planned for November 2005 to share recommendations with the Mayor & Council on the pilot program implementation.	July 5 '05	
Sept. 13 '04	I.G	Provide periodic updates on the status of the MOU between the City and the County re: impact taxes	DPW/ L. Marcus	City and County staff are working together to draft an MOU for County Council approval. City staff reviewed versions of the MOU and shared comments with the County on 5/2/05 and 6/21/05. Following another meeting on 7/22/05, County staff shared a new version of the memo with the City Attorney's Office for final review and comment. The City also provided the County with a list of FY 06 CIP projects.	July 25 '05

Nov. 1 '04	SH	Look into placing a countdown crosswalk signal at MD 28 and Great Falls Rd.	DPW/ E. Elshafei	SHIA's District 3 office approved the concept of installing countdown signals at 5 state-owned intersections on MD 28 and sent a design request to the SHIA Office of Traffic and Safety (OOTTS) on 3/11/05. OOTS recently (7/21/05) requested modified plans before they provide final approval. The City will provide the modified plans in August and we hope to install the countdown signals in September or October. The project is complicated by SHIA's request that the City replace the wires to the signals. Staff is investigating the specific impact of that request.	July 25 '05	
Nov. 1 '04	I.G	Report to the M&C on the City's strategy to address property maintenance issues at 6007 LeMay	Police/ M. England	The Court ordered abatement of the violations in Feb '05. After several months of effort, the City located the property owner and served the orders on 6/8/05. The orders expired on 7/8/05. A re-inspection on 7/9/05 found that the owner did not make the property improvements ordered. The City Attorney's Office is preparing documentation to proceed with contempt of court charges. City staff also received bids from two contractors to rehabilitate the exterior of the house and is consulting with Montgomery County about the possibility of placing a lien on the property if the City completes the work and the property owner does not reimburse.	July 25 '05	
Dec. 6 '04	I.G	Status of District Court construction	CPDS/ J. Wasilak	On 4/26/05 State representatives and their architect presented the current design for the Court to the community. The design was presented to the Mayor & Council on 5/9/05. The State shared a copy of the plans with the City the week of 6/13/05. Staff will share the plans with the Planning Commission, and submit staff and Planning Commission comments to the State. Staff is working with the State to determine the time frame for the City's review.	June 13 '05	
Dec. 6 '04	M&C	Identify a name for Newmarket street that's associated with Town Center's history	CPDS/ A. Chambers	A memo to the Mayor & Council dated 12/7/04 included a list of considered street names and background information on the former Cairo Street. Staff checked with the County again on street name availability, and presented a recommendation to the Mayor & Council on 6/6/05. The Mayor & Council want to consider additional street names. Jan. 10 '05	M&C	Examine the ownership issues on Johnson Drive	CPDS/ M. Hall	The owner obtained a legal opinion that concludes that this property has the same access to Johnson Drive as the other properties on Johnson, so the plat has been altered to divide the lot in two, without a pipestem lot. The City Attorney's Office reviewed the property owner's documentation. To move forward, the applicant next needs the Planning Commission to approve a waiver from the public street frontage requirement. CPDS mailed a notice to the neighborhood on 7/11/05 and discussed the property during the 7/9/05 Lincoln Park Civic Association meeting. The Planning Commission will consider the request for a waiver during their 7/27/05 meeting.	July 12 '05	
Jan. 18 '05	M&C	Share a copy of the Twinbrook Metro Area Sector Plan draft	CPDS/ J. Wasilak	M-NCPPC staff is still working on the draft plan. They will share a copy with the City when it's complete and shared with the Board.	April 18 '05	
Feb. 4 '05	M&C	Follow up on the 12/6/04 worksession with SHIA	DPW/ L. Marcus	A letter went to SHIA on 5/16/05 requesting signage on MD 28 and Gude Dr. to direct cross traffic to Gude Dr. instead of through downtown. The City Manager met with SHIA staff on 7/1/05 to discuss City priorities and concerns. Another Mayor & Council worksession with SHIA is scheduled for 9/19/05.	July 5 '05	
Feb. 28 '05	M&C	Investigate options to make the property tax more progressive	Finance/City Attorney D. Del Pozzo	Staff is researching and analyzing options for Mayor and Council consideration, and expects to share information with the Mayor and Council in September '05. Staff is also tracking this item through the project tracking system.	May 23 '05	
Feb. 28 '05	M&C	Examine modifications to the accessory structure ordinance	CPDS/ D. Mellander	Staff prepared a Zoning Ordinance text amendment to address the size and height of accessory structures in residential zones. The City sent a letter to civic and homeowner associations on 6/6/05 to make them aware of the zoning text amendment. The Planning Commission reviewed it on 6/28/05 and a public hearing was held on 7/11/05. The Mayor and Council will keep the record open until 7/25/05. Staff will make adjustments to the ordinance based on the Mayor and Council's discussion on 7/11/05. Staff estimates adoption on 9/26/05.	July 12 '05	
Feb. 28 '05	I.G	Pursue a Verizon right of way agreement or cable franchise agreement	IT/ D. Breisch	City and Verizon negotiators met to discuss a proposal submitted by Verizon for an agreement similar to the City's standard ROW Agreement. Progress appeared to have been made. Verizon hopes to reach an agreement with City negotiators in time to bring the proposed agreement to the Mayor and Council in September.	July 25 '05

Mar. 21 '05	SU	Investigate the need for improved signage at schools where safety is a concern due to high volumes of traffic and/or high traffic speeds	DPW/ E. Elshafei	Staff is developing a new initiative to improve pedestrian safety at schools in Rockville. Staff briefed the City Manager on the project on 6/30/05 and is finalizing a list of short-term and long-term improvements to share with the City Manager. Staff will implement as many of the short term pedestrian safety improvements as possible for the start of the 2005-2006 school year, and continue safety improvement efforts into 2006.	July 25 '05	
Mar. 28 '05	SU	Track progress on the follow up items from the 1/10/05 worksession with the Historic District Commission	CPDS/ J. Christensen	<p>The following tasks resulted from the worksession with the HDC:</p> <ul style="list-style-type: none"> ▪ Held the Rockville Historic Preservation Conference on 4/16/05. The HDC discussed the conference and next steps. Staff summarized the results of the Conference. The HDC will prepare recommendations resulting from the Conference to share with the M&C. ▪ Identify unsurveyed properties eligible for local historic designation in process ▪ Work with ISD to develop a strategy to follow up on HDC work permit approvals and conditions ▪ Prepare a brochure on maintenance, restoration and renovation of older/historic buildings - Staff is getting clarification from the HDC ▪ Prepare comprehensive definitions of "substantial alteration" and "demolition by neglect" - Staff developed definitions and will prepare a text amendment to incorporate the definitions in the Code ▪ Prepare a chart of benefits and consequences of designation for each eligible City-owned property - In process. The HDC discussed historic designation for the Pump House. The M&C authorized staff to proceed with processing the designation. ▪ Explain the 50 year period used for review of properties for historic significance - A memo explaining the 50 year period was attached to the Master List the week of 6/13/05 	July 19 '05	
April 11 '05	LG	Encourage the County to make the second Rockville library entrance handicapped accessible	CPDS/ A. Chambers	A letter from the County Executive dated 6/20/05 asked the City to fund any changes to the library that the County determines are needed to make the Beall Ave entrance wheelchair accessible and ADA compliant. Staff is preparing a response letter.	July 12 '05

Some minor ponding was reported in late May by lot 12 of Thirty Oaks. An additional water ponding complaint from 529 Brent Road was reported in June. The Chief of Contract Management responded in writing on 7/8/05. Contract management staff will ensure that the small area is re-graded to eliminate the ponding water.</p> <p>Lots 3, 4, 5 and 6 - City received final engineering plans on 5/9/05. City approved the connection of the private system to our public system. Received verbal confirmation that all the lots agree on the plan. Will obtain final written approval from all four lot owners after the work is complete. All grading work and storm drain work complete as of 6-14-05. All work is now complete.</p> <p>Calvert Rd. Homebuilder and developer have agreed to install a storm system on Lots 8, 9 and 10. The proposed drainage system will tie into a public storm drain system located on Tall Grass Court. The City received the plan on 5-19-05 and provided comments on 5-24-05. Staff did not feel the plan, as submitted adequately addressed all of the issues. Staff has coordinated with the developer and homebuilder to revise the scope of work. As of 6-14-05, staff, the developer and homebuilder have agreed to the scope of work. Portions of the system will be privately maintained and the City will maintain portions. The builder and developer received verbal approval of the affected Thirty Oaks residences. Detailed engineering plans for the proposed storm drain system were received on 7/21/05. A copy of the plans were mailed to the affected residents on Calvert Road 7/26/05.</p>	July 26 '05	
June 2 '05	SU	Ask WMATA to improve the appearance of the railroad fence along 355 by enhancing the maintenance	CMO/ D. Jenkins	<p>College Gardens residents are concerned about the appearance of the fence and wall by the train tracks. The fence is old and has not been maintained well, and the wall has rust stains. Staff met with WMATA about these issues three years ago, but no changes were made and the neighborhood's concerns remain. Senator Forehand contacted WMATA in June 2005 on behalf of the City regarding the fence. WMATA responded that there are no plans for repairing or modifying the wall or fence. They report that while rusty the fence is still secure and it is not on a priority schedule for replacement. Next, staff will send a letter directly from the City Manager to WMATA requesting improvements.</p>	July 5 '05	
July 12 '05	SH	Share the potential designs for the West End gateway signs with the Mayor & Council	DPW/ L. Marcus	Staff will start work on the West End gateway signs in Sept or October of this year. They will begin by compiling a broad array of potential designs to share with the community in order to identify the best type of sign. Staff will keep the Mayor & Council informed of the progress and share the potential designs.	July 12 '05

Rockville, MD 20850

Dear Mr. Hall,

I would like to thank you for helping to make our groundbreaking ceremony for the new Richard Montgomery High School a huge success. We could not have accomplished such a feat without the benefit of the equipment your office generously loaned to us for use during our historical event.

We are looking forward to working with you again in the future.

Sincerely,

Moreno Carrasco,

City of Rockville Employees

I'd like to thank you very much for your concern and thoughtfulness in sending me the lovely bouquet of flowers during my recent surgery. They were there with me in the hospital room and did a lot to cheer me up through those first few days of recovery.

I just wanted you to know how much I appreciated your expression of care.

Sincerely,
Sandy
